Major changes coming over the horizon for the global space industry. Lucien Rapp on the December 18, 2020

Lucien Rapp assure la direction scientifique de la Chaire SIRIUS ([www.chaire-sirius.eu](http://www.chaire-sirius.eu)), cofinancée par le CNES, Arbus Defense and Space et Thales Alenia Space.

The attention of the world has recently been captured by the return of Japan's [Hayabusa-2 asteroid mission](#), the activities of Elon Musk's [SpaceX](#) venture, and China's [Chang'e 5 moon landing](#), yet a quiet revolution is taking place in the global space industry. This revolution started in the 2010s and its full impact on global space industry should be measured over the next decade...
